Genuine holidays and privacy by the sea, in one of the quietest and discrete beaches of Portugal, it's what awaits you on Salema Beach Village by NAU Hotels & Resorts, in Algarve, located in Parque Natural do Sudoeste Alentejano and Costa Vicentina.

Just 500 meters away from the beach, the complex Salema Beach Village boasts a fantastic location in the small fishing village of Salema, at the county of Vila do Bispo. The village still remains genuine and far from the mass tourism of the Algarve coast, with their fishing traditions, narrow streets and whitewashed houses. The Salema Beach Village allows you to experience picturesque holidays in a secret Algarve with the comfort and hospitality that you deserve.

Here, privacy and sea views prevail, in a landscape that illustrates the perfect holiday postcard with the blue sea contrasting with the white tones of the villas. Spend your days on the beach or if you prefer, relax by the pool.

Whatever your choice may be, one thing is for sure: the secrecy and authenticity of the village of Salema and Salema Beach Village will turn your holiday into a precious hidden treasure that you will want to uncover and repeat, stay after stay.

Salema Beach was voted one of the best secret beaches in the planet by US magazine "Travel&Leisure", specialized in travel and leisure, which highlighted its "genuine" and "non-massified" feature. Stroll along the beach promenade, lose yourself in the fine golden sandy beach or simply enjoy the singular beauty of the sunsets from the Salema Beach.
