The Mosteiro do Pombeiro Estate, situated right in the heart of  
the Sousa Valley, faces the majestic Pombeiro Monastery, built in  
the 19th Century, with a clear Romanic Benedictine character.

This is a 6 hectare, rustic property, which produces wine, kiwis  
and raspberries along with animal breeding.

Between the municipalities of Guimarães, which is World  
Heritage, and Amarante, also with an elevated historic value, the  
Mosteiro Estate disposes of an interesting ensemble of  
constructions around an enormous threshing-floor, offering a  
superb view of the valley and the monastery.

Without a doubt, this is an immensely mystical site to spend  
some fantastic days of relaxation and to discover the region's  
rich heritage in terms of art and landscape.
