Known as Cerca House belonged once to the Machados family, today we offer and iconic design hotel. Cerca Design House is

the result of the dream of creating an elegant and contemporary retreat where one can relax in the comfort of the valley between Serra da Estrela and Serra da Gardunha.

Located in the municipality of Fundão, at 15 km from Serra da Estrela, the house is the result of a harmonious fusion between the remodeling of a XVII century manor-house and a contemporary and unique design. The sobriety of the stone, which refers to the time of majorats, contrasts with the soft touch of the typical burel woollen cloth (typical in the region) and the vibrant colors of a decoration thought for the body and mind relaxation. Inspire yourself in the silence and calm that the natural beauty of the mountains has to offer, breathe the fresh air and enjoy the unique tranquility of a small village life.

The Quinta da Geia Rural Hotel, at "Aldeia das Dez", also known as 'the village of flowers', is a historical monument with an authentic Portuguese atmosphere.

It is built against the mountain slopes, so that there are many steps and little alleyways. Its grounds and the surrounding area are a true paradise for those who enjoy a good walk. Not only along the routes that have been laid out, but also along the

original Roman paths through the Serra da Estrela, an impressive mountain range with the Torre as its highest peak (1991 metres). The entire region is a national park, and therefore teems with unspoilt nature. Imposing, bare mountains alternate with forests and charming valleys with green meadows full of wild flowers. All seasons have their own charm at Quinta da Geia.
