Pé no Monte is only 10 Km from some of Portugal's finest beaches such as Zambujeira do Mar and Carvalhal, and is the perfect spot to rest in the peacefulness of the countryside, while exploring the Southwest Alentejo and Vicentine Coast. You'll find a design hotel set in a typical traditional Alentejo farmhouse (Monte) extended with a cutting-edge modern extension where the rooms are located.

The country house hotel is located near the village of São Teotónio. In a 10ha estate this unit was born out of the passion of Helena and Gonçalo for the Alentejo coast which made them invest in rural tourism in a family and cozy environment. The minimalist modern architecture blends in very well with the rural surroundings.

CASA DE SANTO ANTÃO is a familiar project. It wasn't born from the need to rebuild a building, but from the wish to preserve the history of the family. It's a house built by the owner's grandfather, where two generations of família ANTÃO were born. A house where the walls tell histories, where each stone was hand placed, where the wood oven was artfully built, as well as all the house structure. Opuses that exist today in order to be deservedly admired. The strong will to revitalize a familiar space, highlighting itself and its story, was so fundamental that determined its owners and descendants' change from the capital city to the rural paradise. Casa de Santo Antão is, above all, a family home with its doors open for friends.
