Herdade da Matinha, a family estate covering 110 hectares, lies 3kms from the village of Cercal, on Portugal's unspoilt Alentejo coast.

The estate lays amongst picturesque hills and valleys where silence is golden, only occasionally interrupted by overflying birds and grazing wildlife.

The houses on the estate are converted farmers' buildings and barns.

In all, there are 20 rooms, all individually designed and tastefully decorated.

For the more active, the lush and green countryside is perfect for gentle strolls and rambling. Matinha also has a stable with 8 horses on which guests can amble through Mediterranean woodland to the nearby beaches. Many of our friends opt to take

(Monte) extended with a cutting-edge modern extension where the rooms are located.

The country house hotel is located near the village of São Teotónio. In a 10ha estate this unit was born out of the passion of Helena and Gonçalo for the Alentejo coast which made them invest in rural tourism in a family and cozy environment. The minimalist modern architecture blends in very well with the rural surroundings.

Set on a small piece of paradise 15 minutes away from beautiful beaches, very close to Santiago do Cacém and perfectly integrated in the landscape, you can find Tons da Terra Rural Tourism, which offers six double rooms with terrace, large outdoor spaces and all the amenities necessary to make it the ideal refuge to rest and dive into a magical and unique tranquility.

a picnic hamper along too, prepared by our kitchen staff. Once back at matinha, there are classes in yoga and pilates, and body massages for those who love feeling pampered.

Matinha is also a stone's throw away from rota vicentina, a total 350 kms of footpaths of breath-taking beauty, where one feels completely at one with nature. This is a walker's and cyclists paradise, as it is for birdwatchers.

Also along the way is the fishing village of Porto Covo, the coastal village of vila nova de milfontes, and for the more intrepid, Carrapateira and Sagres further south.

Beach-lovers have got easy access to the expanses of nearby malhao and aivados, with miles of coastline, great surfing and clean seawater (much better and healthier than the mediterranean sea).

Late in the day, after a shower and getting ready, there is the pinnacle that makes matinha what it is. The gastronomy. All food is locally sourced and homemade, and the wine list includes some of the best portugal has to offer at very reasonable prices. The atmosphere is informal and friendly, the music very chilled, and the meals exquisite. Some dinners at matinha have been known to start at 20h and only finish after 2 a.m.

Herdade da matinha is the authentic alentejo experience. The author of this text knows; i have been visiting matinha for the past 12 years and i have fallen in love with it.

And so will you.

Known as Cerca House belonged once to the Machados family, today we offer and iconic design hotel. Cerca Design House is the result of the dream of creating an elegant and contemporary retreat where one can relax in the comfort of the valley between Serra da Estrela and Serra da Gardunha.

Located in the municipality of Fundão, at 15 km from Serra da Estrela, the house is the result of a harmonious fusion between the remodeling of a XVII century manor-house and a contemporary and unique design. The sobriety of the stone, which refers to the time of majorats, contrasts with the soft touch of the typical burel woollen cloth (typical in the region) and the vibrant colors of a decoration thought for the body and mind relaxation. Inspire yourself in the silence and calm that the natural beauty of the mountains has to offer, breathe the fresh air and enjoy the unique tranquility of a small village life.

In the heart of Minho, Casa Lata - Agroturismo is located on a property of about 3.6 hectares, between Braga (10kms) and Peneda Gerês National Park (30kms), in the north of Portugal.

It has 10 double rooms and 4 twin rooms in the main house, as well as a rustic house located next to the vineyard - Casa do Garrafas - with capacity for 8 people (4 adults and 4 children), all with private bathroom, AC, TV channels, free Wi-Fi and free private parking on site. Guests can also enjoy common spaces such as a lounge, which once gave way to the wine cellar, game room, outdoor swimming pool (for adults and children) and numerous green spaces surrounding the house. Throughout the year the fruits are cultivated, such as the famous oranges of Amares, and fruits to make the homemade jams and cakes for breakfast. It has the history of a farm house minhota where its people dedicated themselves to the agriculture, the cattle raising, the vineyard and the wine. As milestones of these activities still exist the granary, the wine press, the alembic and numerous agricultural tools. In this environment of tradition associated with rural life, there is now a modern wine cellar where is produced the famous green wine. On arrival our guests are welcomed with a green of honor, and if they wish to know more about the production of green wine the current owner, Jose Costa, will be happy to make a visit to the winery.
