Herdade da matinha, a family estate covering 110 hectares, lies 3kms from the village of cercal, on portugal's unspoilt alentejo coast.

The estate lays amongst picturesque hills and valleys where silence is golden, only occasionally interrupted by overflying birds and grazing wildlife.

The houses on the estate are converted farmers' buildings and barns.

In all, there are 20 rooms, all individually designed and tastefully decorated.

For the more active, the lush and green countryside is perfect for gentle strolls and rambling. Matinha also has a stable with 8 horses on which guests can amble through mediterranean woodland to the nearby beaches. Many of our friends opt to take a picnic hamper along too, prepared by our kitchen staff.

Once back at matinha, there are classes in yoga and pilates, and body massages for those who love feeling pampered.

Matinha is also a stone's throw away from rota vicentina, a total 350 kms of footpaths of breath-taking beauty, where one feels completely at one with nature. This is a walker's and cyclists paradise, as it is for birdwatchers.

Also along the way is the fishing village of Porto Covo, the coastal village of vila nova de milfontes, and for the more intrepid, Carrapateira and Sagres further south.

Beach-lovers have got easy access to the expanses of nearby malhao and aivados, with miles of coastline, great surfing and clean seawater (much better and healthier than the mediterranean sea).

Late in the day, after a shower and getting ready, there is the pinnacle that makes matinha what it is. The gastronomy. All food is locally sourced and homemade, and the wine list includes some of the best portugal has to offer at very reasonable prices. The atmosphere is informal and friendly, the music very chilled, and the meals exquisite. Some dinners at matinha have been known to start at 20h and only finish after 2 a.m.

Herdade da matinha is the authentic alentejo experience. The author of this text knows; i have been visiting matinha for the past 12 years and i have fallen in love with it.

And so will you.

HOUSE

Our door is always open to welcome those who arrive with the same joy with which we would run to our grandparents arms when we were little. Our grandfather, an "old sea dog", Joaquim Modesto de Brito, known to all as "the champ", was the foundation of this project. So many memories inhabit these walls and grounds that we, the grandchildren, couldn't allow them to get lost. This is how Casa Modesta was born, combining rural tourism with a contemporary feel, manifested in nine rooms with private patios. There is also a garden with a section for organically grown vegetables and a solarium where time flows with the tides.

EXPERIENCES

To the Algarve summer, with sand in it's feet, we have added the daily routines of those who make this way of life a lifestyle, from gathering clams to baking bread to the harvesting and drying of fruits. We catch a ride on a traditional boat, practice birdwatching, support the local nature reserve, and when night falls we turn our verandas into a planetarium and watch the stars. When the body requires rest we surrender ourselves to wellness rituals, taking advantage of the natural properties of local oliver, almonds, fleur de sel and algae. Some may call it a "vacation", we call it "culture".

PLACE

Our secret: a family house opening its doors to tourism in an almost unknown land, facing the sea and in the heart of the Ria Formosa Natural Park, considered one of Portugal's seven wonders. We may sound biased if we say that from Casa Modesta you witness the best morning in all the Algarve, but from here we can watch the migration of birds, the practice of shellfish gathering or the harvesting of salt, and everyday we are astonished by the small miracles that Nature performs.

ARCHITECTURE

From the ground up we built a house using the traditional knowledge and architectural culture, the local people and materials. In the Casa Chã, we translated ancestral legacies to a contemporary language, creating and feeding social and economical dynamics connected to local art and crafts. Cemented in the memory of family and place, PAr consolidated this project in the Casa Modesta prototype.

In the heart of Minho, Casa Lata - Agroturismo is located on a property of about 3.6 hectares, between Braga (10kms) and Peneda Gerês National Park (30kms), in the north of Portugal.

It has 10 double rooms and 4 twin rooms in the main house, as well as a rustic house located next to the vineyard - Casa do Garrafas - with capacity for 8 people (4 adults and 4 children), all with private bathroom, AC, TV channels, free Wi-Fi and free private parking on site. Guests can also enjoy common spaces such as a lounge, which once gave way to the wine cellar, game room, outdoor swimming pool (for adults and children) and numerous green spaces surrounding the house. Throughout the year the fruits are cultivated, such as the famous oranges of Amares, and fruits to make the homemade jams and cakes for breakfast. It has the history of a farm house minhota where its people dedicated themselves to the agriculture, the cattle raising, the vineyard and the wine. As milestones of these activities still exist the granary, the wine press, the alembic and numerous agricultural tools. In this environment of tradition associated with rural life, there is now a modern wine cellar where is produced the famous green wine. On arrival our guests are welcomed with a green of honor, and if they wish to know more about the production of green wine the current owner, Jose Costa, will be happy to make a visit to the winery.

The beauty of the landscape surrounding Quinta Manhães D' Ouro is impossible to describe. The extended horizon, the woods, the vines, the neighbouring villages, make the Quinta favourable to contemplation, quiet pace and serenity.

The Quinta delimits an area of approximately 16.500m². This space is split between hospitality structures and the outside gardens, fruit, olive and chestnut trees, and the vines. The main house is divided in two floors. The 1st floor accommodates 6 double-rooms with private bathroom (one of which is Disabled Equipped). The ground floor area allocates a restaurant, snack bar and lounge.

Along with the gardens, in the outside area one finds a second building connected to the main house, named Mundo Rural (Rural World). In this space one finds a bedroom suite of a rather fantastic view, along with the winery, barbecue area with terrace and garden. To your comfort, the Quinta offers a swimming pool

and jacuzzi expecting to make your staying more pleasant and reinvigorating.
