Herdade da matinha, a family estate covering 110 hectares, lies 3kms from the village of cercal, on portugal's unspoilt alentejo coast.

The estate lays amongst picturesque hills and valleys where silence is golden, only occasionally interrupted by overflying birds and grazing wildlife.

The houses on the estate are converted farmers' buildings and barns.

In all, there are 20 rooms, all individually designed and tastefully decorated.

For the more active, the lush and green countryside is perfect for gentle strolls and rambling. Matinha also has a stable with 8 horses on which guests can amble through mediterranean woodland to the nearby beaches. Many of our friends opt to take a picnic hamper along too, prepared by our kitchen staff.

Once back at matinha, there are classes in yoga and pilates, and

body massages for those who love feeling pampered. Matinha is also a stone's throw away from rota vicentina, a total 350 kms of footpaths of breath-taking beauty, where one feels completely at one with nature. This is a walker's and cyclists paradise, as it is for birdwatchers.

Also along the way is the fishing village of Porto Covo, the coastal village of vila nova de milfontes, and for the more intrepid, Carrapateira and Sagres further south.

Beach-lovers have got easy access to the expanses of nearby malhao and aivados, with miles of coastline, great surfing and clean seawater (much better and healthier than the mediterranean sea).

Late in the day, after a shower and getting ready, there is the pinnacle that makes matinha what it is. The gastronomy. All food is locally sourced and homemade, and the wine list includes some of the best portugal has to offer at very reasonable prices. The atmosphere is informal and friendly, the music very chilled, and the meals exquisite. Some dinners at matinha have been known to start at 20h and only finish after 2 a.m.

Herdade da matinha is the authentic alentejo experience. The author of this text knows; i have been visiting matinha for the past 12 years and i have fallen in love with it.

And so will you.

Companhia das Culturas is an organic farm in the south east point of Algarve, on the S. Bartolomeu village and the Nature Reserve of Castro Marim, just 1,5km far from the beach Praia Verde. The houses were adapted by Arch. Pedro Ressano Garcia to receive visitors [9 rooms and 4 apartments] in a simultaneously sophisticated and rural ambience. In keeping with the environment, solar energy is used as well as residual

waters and although there is no television nor music, but provide an Internet Wireless System. In the Cork-Box, an old garage for a threshing machine that now is completely lined with cork, we offer daily yoga classes. In the Hamam we propose a diverse menu of wellness treatments and health. Finally, in our restaurant - Alma Brava - we create a gastronomy in symbiosis with our organic vegetable garden, the fish from the coast and local meat, which we call the Portuguese diet.

We offer special conditions for groups and retreats.

HOUSE

Our door is always open to welcome those who arrive with the same joy with which we would run to our grandparents arms when we were little. Our grandfather, an "old sea dog", Joaquim Modesto de Brito, known to all as "the champ", was the foundation of this project. So many memories inhabit these walls and grounds that we, the grandchildren, couldn't allow them to get lost. This is how Casa Modesta was born, combining rural tourism with a contemporary feel, manifested in nine rooms with private patios. There is also a garden with a section for organically grown vegetables and a solarium where time flows with the tides.

EXPERIENCES

To the Algarve summer, with sand in it's feet, we have added the daily routines of those who make this way of life a lifestyle, from gathering clams to baking bread to the harvesting and drying of fruits. We catch a ride on a traditional boat, practice birdwatching, support the local nature reserve, and when night falls we turn our verandas into a planetarium and watch the stars. When the body requires rest we surrender ourselves to wellness rituals, taking advantage of the natural properties of local oliver, almonds, fleur de sel and algae. Some may call it a "vacation", we call it "culture".

PLACE

Our secret: a family house opening its doors to tourism in an almost unknown land, facing the sea and in the heart of the Ria Formosa Natural Park, considered one of Portugal's seven wonders. We may sound biased if we say that from Casa Modesta you witness the best morning in all the Algarve, but from here we can watch the migration of birds, the practice of shellfish gathering or the harvesting of salt, and everyday we are astonished by the small miracles that Nature performs.

ARCHITECTURE

From the ground up we built a house using the traditional knowledge and architectural culture, the local people and materials. In the Casa Chã, we translated ancestral legacies to a contemporary language, creating and feeding social and economical dynamics connected to local art and crafts. Cemented in the memory of family and place, PAr consolidated this project in the Casa Modesta prototype.

Inspired by the history of a place and of a people, Luz - Charming Houses, located in Fatima, Portugal, offers 15 rooms with a simple and intimate decoration, a concept of a "small village", which architecture was inspired by the ancient villages in the region of Fatima.

At the "Mother House", or common area, we can find the reception desk, a small grocery store with products dating back to an ancient but not forgotten Portugal, the living room and the dining room, both of which have a fireplace, a terrace and an "honesty bar".

In the outdoor area within the trees and through the smell of the flowers, we find Luz Senses. Set in a natural cave, here we specialize in natural therapies that show the history and local knowledge, providing the visitors with various therapies and massages in a mystical place, offering a once in a lifetime experience.

The outdoor areas include other less common spaces, such as the sheep shelter, a centennial cistern and even a hermitage where our visitors may simply reflect and meditate, yet the perfect venue for special and intimate events.

Recently restored, it meets the tourist function, allowing guests to enjoy a unique landscape that breathes peace.

The house is located on a property of about 10 hectares, lined by oaks, cedars, pines, olive trees and trees fruit, where water furrows the land between vegetation and stones. Freedom of paths that run allows you to enjoy beautiful walks or outdoor sports.

It offers spaces where you can organize business or leisure events, receive your friends or gather your family.

Casas de Pedra is a small tourist complex located in Camacha, Madeira, offering 3 country houses: The Azalea, The Camellia and The Magnolia. All are carefully retrieved from former stables, which nevertheless retain traces of its original architecture in basalt stone.

At Casas de Pedra you can enjoy a rural atmosphere with all the facilities of a hotel. In your stay you can enjoy services included as breakfast, daily cleaning of your house, towels and all necessary linens, laundry, air conditioned, food for your dogs, firewood included for your fireplace, among others. Our houses have a license of Agroturism, so if you love flowers and nature this experience it's perfect for you! Activities in the garden are also included in the stay.

The area is surrounded by a large and beautiful garden with 5000 m², full of exotic plants from temperate climates. During the Winter season and Spring Camellias, Magnolias and Azaleas are blooming. In April/May Rhododendrons are at their maximum splendour. These buildings are integrated in the same area as the main house, and are owned by a local and traditional family of surgeons who reside there through the year.

In the heart of Minho, Casa Lata - Agroturismo is located on a property of about 3.6 hectares, between Braga (10kms) and Peneda Gerês National Park (30kms), in the north of Portugal.

It has 10 double rooms and 4 twin rooms in the main house, as well as a rustic house located next to the vineyard - Casa do Garrafas - with capacity for 8 people (4 adults and 4 children), all with private bathroom, AC, TV channels, free Wi-Fi and free private parking on site. Guests can also enjoy common spaces such as a lounge, which once gave way to the wine cellar, game room, outdoor swimming pool (for adults and children) and numerous green spaces surrounding the house. Throughout the year the fruits are cultivated, such as the famous oranges of Amares, and fruits to make the homemade jams and cakes for breakfast. It has the history of a farm house minhota where its people dedicated themselves to the agriculture, the cattle raising, the vineyard and the wine. As milestones of these activities still exist the granary, the wine press, the alembic and numerous agricultural tools. In this environment of tradition associated with rural life, there is now a modern wine cellar where is produced the famous green wine. On arrival our guests are welcomed with a green of honor, and if they wish to know more about the production of green wine the current owner, Jose Costa, will be happy to make a visit to the winery.

The estate Quinta das Escomoeiras is hidden in the terraces of an enchanted land, a small paradise set on the banks of the Tâmega River, offering uninterrupted views of forest-covered mountains to contemplate exquisite details of the pastoral rusticity of the Minho region.

The magnificence of the landscape extends on into our love for welcoming guests, and those who visit feel the coziness, the freedom of being and staying at a refined place, yet still feeling comfortable and at home.

The estate proudly offers 9 themed rooms, in a variety of styles and sizes. This is a place which tantalizes each of the senses. From the start of the day, sitting at breakfast on the marvelous terrace with a view out into a wide sweeping canvas of green, you can savor our jams and natural juices made from fruits of

our own labor.

Wine tourism is one of our fortés. As a member of the Vinho Verde Route, the Quinta provides guests and other tourists with a tour of the vineyard and the wine cellar, along with a wine tasting of the wines made exclusively from grapes of this demarcated region, DOC (Denominação de Origem Controlada).

Part of the network, Bikotel, the Quinta das Escomoeiras provides ideal lodging for bicycling enthusiasts. We have everything needed for guests taking part in bicycling touring. Such conditions available are a closed garage, equipped with tool kits and washing equipment. At the Quinta we also have several bicycles available to lend our guests free of charge.

Our location so close to the Tâmega River offers an excellent opportunity to go fishing and canoeing.

The beauty of the landscape surrounding Quinta Manhãs D' Ouro is impossible to describe. The extended horizon, the woods, the vines, the neighbouring villages, make the Quinta favourable to contemplation, quiet pace and serenity.

The Quinta delimits an area of approximately 16.500m². This space is split between hospitality structures and the outside gardens, fruit, olive and chestnut trees, and the vines. The main house is divided in two floors. The 1st floor accommodates 6 double-rooms with private bathroom (one of which is Disabled Equipped). The ground floor area allocates a restaurant, snack bar and lounge.

Along with the gardens, in the outside area one finds a second building connected to the main house, named Mundo Rural (Rural World). In this space one finds a bedroom suite of a rather fantastic view, along with the winery, barbecue area with terrace and garden. To your comfort, the Quinta offers a swimming pool and jacuzzi expecting to make your staying more pleasant and reinvigorating.
