Casas da Piedade arise from the rehabilitation of the old houses
of the workers of Quinta da Brôa. In a project started in 2009,
this housing complex consists of 13 apartments with different
characteristics but maintaining its original layout both in the
exterior and in the interior.

A first row seat for a travel in a time. The travel happens at Train Spot Guesthouse , placed in a historical Marvão/Beirã train station, which was built in 19th century and is classified as a architectural heritage. Here all the travelers that are young in heart can live out an experience of dreaming and waking up in an industrial era train station, surrounded by Serra de S. Mamede natural park, in direct touch with the raiana culture, just one step aside from Portugal and Spain border.

Get on the board and make this station your home.

Companhia das Culturas is an a organic farm in the south east point of Algarve, on the S. Bartolomeu village and the Nature Reserve of Castro Marim, just 1,5km far from the beach Praia Verde. The houses were adapted by Arch. Pedro Ressano Garcia to receive visitors [9 rooms and 4 apartments] in a simultaneously sophisticated and rural ambience. In keeping with the environment, solar energy is used as well as residual waters and although there is no television nor music, but provide an Internet Wireless System. In the Cork-Box, an old garage for a threshing machine that now is completely lined with cork, we offer daily yoga classes. In the Hamam we propose a diverse menu of wellness treatments and health. Finally, in our restaurant - Alma Brava - we create a gastronomy in symbiosis with our organic vegetable garden, the fish from the coast and

local meat, which we call the Portuguese diet.

We offer special conditions for groups and retreats.

Casa da Estação - No'Clock is a cottage located at Km 34.5 of the Ecopista do Dão, an old converted railway line in what is now the largest greenway of Portugal .

Like the Stop, Look and Listen that was suggested to us when we come to a railway line, No'Clock challenges the visitor, nature lover, to take a break to live and feel the time without the pressure of the clock.
