Located in the Serra de São Mamede Natural Park, in Castelo de Vide, Quinta das Lavandas is a unique place in Portugal. The accommodation is located in a farm where lavender is the main protagonist, since there are planted 6 ha of Lavender. The main purpose of its cultivation is the elaboration of essential oils and floral waters, produced in the QL distillery, and the elaboration of traditional products resulting from the lavender derivatives. In the Lavender Garden you will be able to observe a great variety of lavenders of colors purple, pink and white.

For theme of the rooms we choose the flora existing in the farm. This is the result of a combination of rooms - 1 suite, 3 twin rooms and 3 double rooms, some with private terrace - equipped with satellite TV, air conditioning, private bathroom and wi-fi. The ambience of the rooms develops around original decorative pieces and paintings by Portuguese painters that give it a touch of uniqueness. All rooms have views, some for the lavender fields, others for the gardens or for the rocky outcrops, which are one of the other marks in the farm landscape. In the environment of the farm is still possible to observe a huge variety of birds, native fauna. In the morning, the chirping of birds, combined with the fragrance of lavenders, is an exciting experience.

Pé no Monte is only 10 Km from some of Portugal's finest beaches such as Zambujeira do Mar and Carvalhal, and is the perfect spot to rest in the peacefulness of the countryside, while exploring the Southwest Alentejo and Vicentine Coast. You'll find a design hotel set in a typical traditional Alentejo farmhouse (Monte) extended with a cutting-edge modern extension where the rooms are located.

The country house hotel is located near the village of São Teotónio. In a 10ha estate this unit was born out of the passion of Helena and Gonçalo for the Alentejo coast which made them invest in rural tourism in a family and cozy environment. The minimalist modern architecture blends in very well with the rural surroundings.

Quinta dos Moinhos de S. Filipe is located in Setúbal, 27.5 miles away from Lisbon. It is served by two highways, A2 and A12, which lead to 25 de Abril bridge and Vasco da Gama bridge, respectively.

Located on the slope of Serra da Arrábida, the view from Quinta dos Moinhos de S. Filipe is dazzling, with the mouth of River Sado, its meeting with the Atlantic Ocean and all the life which thrives in both as its natural background.

During the day, this scenery is speckled here and there by all sorts of boats, from large ships being towed in and out of the harbour to little sail or fishing boats. Occasionally, one might catch a glimpse of dolphins. By night, a blanket of little twinkling city lights, spreading from the castle over Setúbal and across the river to Tróia peninsula, makes us feel like we're living in a Sherazade's "One thousand and one nights" tale.
