Casas de Pedra is a small tourist complex located in Camacha, Madeira, offering 3 country houses: The Azalea, The Camellia and The Magnolia. All are carefully retrieved from former stables, which nevertheless retain traces of its original architecture in basalt stone.

At Casas de Pedra you can enjoy a rural atmosphere with all the facilities of a hotel. In your stay you can enjoy services included as breakfast, daily cleaning of your house, towels and all necessary linens, laundry, air conditioned, food for your dogs, firewood included for your fireplace, among others. Our houses have a license of Agroturism, so if you love flowers and nature this experience it's perfect for you! Activities in the garden are also included in the stay.

The area is surrounded by a large and beautiful garden with 5000 m², full of exotic plants from temperate climates. During the Winter season and Spring Camellias, Magnolias and Azaleas are blooming. In April/May Rhododendrons are at their maximum splendour. These buildings are integrated in the same area as the main house, and are owned by a local and traditional family of surgeons who reside there through the year.
