Companhia das Culturas is an organic farm in the south east point of Algarve, on the S. Bartolomeu village and the Nature Reserve of Castro Marim, just 1,5km far from the beach Praia Verde. The houses were adapted by Arch. Pedro Ressano Garcia to receive visitors [9 rooms and 4 apartments] in a simultaneously sophisticated and rural ambience. In keeping with the environment, solar energy is used as well as residual waters and although there is no television nor music, but provide an Internet Wireless System. In the Cork-Box, an old garage for a threshing machine that now is completely lined with cork, we offer daily yoga classes. In the Hamam we propose a diverse menu of wellness treatments and health. Finally, in our restaurant - Alma Brava - we create a gastronomy in symbiosis with our organic vegetable garden, the fish from the coast and local meat, which we call the Portuguese diet.

We offer special conditions for groups and retreats.

Casas de Pedra is a small tourist complex located in Camacha, Madeira, offering 3 country houses: The Azalea, The Camellia and The Magnolia. All are carefully retrieved from former stables, which nevertheless retain traces of its original architecture in basalt stone.

At Casas de Pedra you can enjoy a rural atmosphere with all the facilities of a hotel. In your stay you can enjoy services included as breakfast, daily cleaning of your house, towels and all necessary linens, laundry, air conditioned, food for your dogs,

firewood included for your fireplace, among others. Our houses have a license of Agroturism, so if you love flowers and nature this experience it's perfect for you! Activities in the garden are also included in the stay.

The area is surrounded by a large and beautiful garden with 5000 m², full of exotic plants from temperate climates. During the Winter season and Spring Camellias, Magnolias and Azaleas are blooming. In April/May Rhododendrons are at their maximum splendour. These buildings are integrated in the same area as the main house, and are owned by a local and traditional family of surgeons who reside there through the year.
