In the heart of Minho, Casa Lata - Agroturismo is located on a property of about 3.6 hectares, between Braga (10kms) and Peneda Gerês National Park (30kms), in the north of Portugal.

It has 10 double rooms and 4 twin rooms in the main house, as well as a rustic house located next to the vineyard - Casa do Garrafas - with capacity for 8 people (4 adults and 4 children), all with private bathroom, AC, TV channels, free Wi-Fi and free private parking on site. Guests can also enjoy common spaces such as a lounge, which once gave way to the wine cellar, game room, outdoor swimming pool (for adults and children) and numerous green spaces surrounding the house. Throughout the year the fruits are cultivated, such as the famous oranges of Amares, and fruits to make the homemade jams and cakes for breakfast. It has the history of a farm house minhota where its people dedicated themselves to the agriculture, the cattle raising, the vineyard and the wine. As milestones of these activities still exist the granary, the wine press, the alembic and numerous agricultural tools. In this environment of tradition associated with rural life, there is now a modern wine cellar where is produced the famous green wine. On arrival our guests are welcomed with a green of honor, and if they wish to know more about the production of green wine the current owner, Jose Costa, will be happy to make a visit to the winery.

The beauty of the landscape surrounding Quinta Manhãs D' Ouro is impossible to describe. The extended horizon, the woods, the vines, the neighbouring villages, make the Quinta favourable to contemplation, quiet pace and serenity.

The Quinta delimits an area of approximately 16.500m<sup>2</sup>. This space is split between hospitality structures and the outside gardens, fruit, olive and chestnut trees, and the vines. The main house is divided in two floors. The 1st floor accommodates 6 double-rooms with private bathroom (one of which is Disabled Equipped). The ground floor area allocates a restaurant, snack bar and lounge.

Along with the gardens, in the outside area one finds a second building connected to the main house, named Mundo Rural (Rural World). In this space one finds a bedroom suite of a rather fantastic view, along with the winery, barbecue area with terrace and garden. To your comfort, the Quinta offers a swimming pool and jacuzzi expecting to make your staying more pleasant and reinvigorating.
