The beauty of the landscape surrounding Quinta Manhãs D' Ouro is impossible to describe. The extended horizon, the woods, the vines, the neighbouring villages, make the Quinta favourable to contemplation, quiet pace and serenity.

The Quinta delimits an area of approximately 16.500m². This space is split between hospitality structures and the outside gardens, fruit, olive and chestnut trees, and the vines. The main house is divided in two floors. The 1st floor accommodates 6 double-rooms with private bathroom (one of which is Disabled Equipped). The ground floor area allocates a restaurant, snack bar and lounge.

Along with the gardens, in the outside area one finds a second building connected to the main house, named Mundo Rural (Rural World). In this space one finds a bedroom suite of a rather fantastic view, along with the winery, barbecue area with terrace and garden. To your comfort, the Quinta offers a swimming pool and jacuzzi expecting to make your staying more pleasant and reinvigorating.
