The Manor House "Ponces de Carvalho", also known as the Manor House of the "Counts of Vilar Seco", was built in the 18th century and is situated in the old village of Vilar Seco, covered by vineyards and pine trees in the Heart of the Delimited Dão Wine Region. This manor house has "french gardens" as well as a large leisure area, with a small lake made of granite and relaxation spaces. At short distance, you can find two thermal resorts - Caldas da Felgueira and Alcafache - specialized in the treatment of problems related to respiratory, musculoskeletal and rheumatoid health diseases.

In the nearby city of Viseu, there are places of interest and attractions to visit, namely the Grão Vasco Museum, the Almeida Moreira House-Museum, the Cathedral and the "Misericórdia" Church, as well as other manor houses and secular buildings of great architectonic beauty. Golf players have at their disposal a 27-hole course (Montebelo), just a few miles away from the city. The "Dão Wine Institute" is a place worth visiting, where you'll be able to taste the best wines of this region.

The Casa do Sobreiro is a manor whose origins remote to the sixteen century, built in the center of a 160.000m² land area which includes a 140.000m² kiwi plantation, two marvelous lagoons, a park and some beautiful gardens. The Casa do Sobreiro main building was rebuilt in 1989 due to its precarious state, all its original layout and structure were kept, the surrounding land fields once used to cultivate many agricultural products where then changed to a kiwi plantation. Due to its good localization and geographic position you will be able to enjoy yourselves in mountains, close beaches and visit the nearby towns and city monuments. It is a very beautiful spot for sightseeing or delight yourselves with the excellent local food Portuguese and wines or remain in our house and enjoy the contact with nature be it with a walk or even by fishing. We gladly welcome you.
