Map of Portugal

So many things to see, so close at hand! The map of Portugal will guide you across the many itineraries of Portugal and help you plan your trip in the best possible manner.

Natural.PT

Portugal's unique fauna and flora and their beautiful natural surroundings...

Portugal is a privileged country in the world of natural history. In under 100,000 km², it concentrates a wide variety of habitats, such as large estuaries, mountains, rivers, coastlines, the open sea, forests, islands, caves and vast plains. In these beautiful settings, visitors can watch the largest animals on the planet, the mighty whales, and admire countless birds, like the lofty gliders or the colourful passerines. Along the large rivers one can glimpse various amphibians, mammals, fish, reptiles or hundreds of insects.

All of this natural heritage deserves to be conserved, known, and experienced by humanity in perfect harmony with nature.

(English version)

Paths of Faith

Centro de Portugal

A Tourist Guide to World Heritage Sites I - In the heart of Portugal

Consult the leaflet concerning the 4 routes we've specially created to help you discover this region. Nestled in the southwest corner of Europe, we call this region "the heart of Portugal".

Many of the key events surrounding the birth of Portugal - the country with the oldest borders in Europe - are associated to this zone. The region has a rich history and brims with a plethora of myths and legends. Its exceptional importance - the theme underlying these routes - is demonstrated by the fact that it houses three of Portugal's most important UNESCO World Heritage monuments, in an area spanning little over 90km².

Porto and the North

A Tourist Guide to World Heritage Sites II - in the North of Portugal

People have lived in northern Portugal for centuries. A place where Atlantic and Mediterranean cultures come together, the region is particularly rich in cultural and natural heritage. Indeed, this Portuguese region has 4 of UNESCO's 18 World Heritage sites: two historical centres: Porto and Guimarães, which received the status in 1996 and 2001 respectively, the Vale do Coa archaeological sites, listed in 1998, and the cultural landscape of the Alto Douro Wine-growing Region, listed 2001. To help you get to know them better, Turismo de Portugal has published a series of World Heritage Tourist Itineraries, making it easier for you to organise your visit to Portugal.
