Casas da Levada is a Country Property with 6 individual and family run houses (B&B and Self Catering) located in Ponta do Pargo, on the sunny west side of Madeira Island. The charming property is found between the magic of Nature and Levadas (courses that carried water to the ancient people) and lies on the edge of Madeira's Natural Forest called Laurissilva.

Surrounded by three wide green areas with little organic gardens where vegetables and herbs can be freely harvested, the restored country houses, with tradition and charm, offer a full view of the Atlantic Ocean. Between the Levadas that run across the entire area, there is an infinity pool, a solarium and a small animal farm space.

A property that brings us back to our roots and traditions, embracing the permaculture and its sustainability, in order to establish the harmony and balance with nature. A source of unique experiences and tranquillity moments destined for all nature lovers, ideal to start your nature activity, such as hiking, mountain biking, dolphin, whale and bird watching and much more.

In your stay you can enjoy services included as breakfast, daily cleaning of your house, towels and all necessary linens, laundry, air conditioned, food for your dogs, firewood included for your fireplace, among others. Our houses have a license of Agrotourism, so if you love flowers and nature this experience it's perfect for you! Activities in the garden are also included in the stay.

The area is surrounded by a large and beautiful garden with 5000 m², full of exotic plants from temperate climates. During the Winter season and Spring Camellias, Magnolias and Azaleas are blooming. In April/May Rhododendrons are at their maximum splendour. These buildings are integrated in the same area as the main house, and are owned by a local and traditional family of surgeons who reside there through the year.
