The bungalows and apartments are called "As Velas", the "Sailing ships", and they are named after the ships which took the great Portuguese seafarers to the far continents: São Rafael, São Gabriel, Bérrio and Anunciada. The terraces offer a wide unobstructed sea view; along the coastline until Sagres, the most southwesterly point of Europe, and over the Atlantic ocean.

In Algar Seco Parque a large pool with diving board, a heatable pool and a number of sundeck terraces invite to relax. Children have their own separate pool, and there is also a tiny splash puddle for the very young ones. The BistroBar offers breakfast, lunch, dinner and snacks.

Art and Craftsmanship

Greatest emphasis for the comfortable furnishing was laid on good, solid craftsmanship; handmade furniture from the North of Portugal, handpainted, typical Portuguese tiles, hand woven rugs and lampshades, hand embroidered carpets from Arraiolos. The decorations - paintings, ceramics, pottery and carvings - all come from artists of the nearer and wider neighbourhood.
