ABOUT

Golf in Porto and the North

Close to the sea and the mountains, this region is known for its green landscapes and exceptional wines, among which the world famous Port Wine. Here you can play golf in a wide variety of courses, surrounded by inspiring landscapes.

In greater **Porto** there are various reference courses, and of course, there is the advantage of being able to visit one of the most beautiful and dynamic cities of the Old Continent, which has been considered, several times, as the best European city break. Exploring the **historic city centre** is a must – classified as **World Heritage** by UNESCO -, the traditional Bolhão Market, the beautiful Lello Bookshop and the centenary Café Majestic, a gem of the Art Nouveau, nominated one of the most beautiful cafes in the world several times. In the evening, the restaurants, bars, galleries and clubs on the streets of Cândido dos Reis and of Galeria de Paris, all fill up..
